

Employment and Training Services Manager

LONGREACH
CETTS Award

IsaSKILLS currently requires highly motivated, enthusiastic and dedicated persons to work in our Longreach office in the delivery of the Employment Services Contract. Applicants for this position should have relevant employment history in the accredited training environment and a solid business or administrative background. A diploma level qualification in business, training, or a related discipline is highly desirable. The successful applicant will have strong working knowledge of the Australian Quality Training Framework, Quality Assurance Systems, and general Project Management and will apply a practical and team orientated approach to achieving results. For the position description and selection criteria please call at the isaSkills Centre, West Street, Mount Isa or telephone Chrissy or Jaime on 4747 3535 for an application package or email eswisa2@isaskills, esadmin@isaskills.org.
