

## Minesite Cleaners

---

MOUNT ISA  
Above Award Salary

---

A Mount Isa Cleaning Company are seeking reliable, team orientated and customer focused Cleaners for an immediate start. The successful applicants will be responsible for cleaning designated Surface areas, including office areas, crib rooms and change rooms on the Xstrata Lease and George Fisher Mine. Minesite Cleaners will be responsible for operating a range of cleaning equipment, including scrubbers, polishers, vacuum cleaners and be able to prioritise workloads, adhere to OH&S practices and work effectively within a team. Sound literacy and numeracy skills are a must, ideally a minimum of Year 10 education level. Applicants will work off a roster, including day (8am-4pm) and night (4pm-12pm) shifts, weekends optional. Any previous experience in the cleaning industry is an advantage, although training will be provided. Pre-employment requirements include a current surface generic induction (Metalliferous) and a current surface medical. An attractive work environment, salary conditions and new equipment are offered to those that fulfil the requirements of the position. Applicants must be residing in Mount Isa as this is not a FIFO position and accommodation is not supplied. Own transport is required. To apply, please forward a copy of your resume that outlines your relevant experience and skills to Chrissy at Job Futures on the contact details below.
